**To: The State Securities Commission

Hai Phong Construction Joint Stock Corporation No.3 (HC3) would like to extend our most respectful greetings to State Securities Commission and Hanoi Stock Exchange.

Pursuant to the Circular No. 96/2020/ TT-BTC dated November 16, 2020 of the Ministry of Finance guiding the disclosure of information on the stock market.

According to the financial report of the second quarter of 2025 of the parent company, the profit after tax of Hai Phong Construction Joint Stock Corporation No. 3 is as follows:

Content	2 <sup>nd</sup> quarter	Accumulated for the first 6 months of the year
Profit of 2025 (after tax)	4.692.422.345 đ	11.683.071.792 đ
Profit of 2024 (after tax)	10.850.845.001 đ	23.911.846.532 đ

**The main reasons for the profit discrepancy in second quarter are as follows:**

- Profit from service and construction business activities declined.
- Due to the impact of the trade war, the stock market experienced strong volatility. As a result, the company made financial provision allowances, leading to a decrease in financial investment performance.

By this document, our Company would like to explain to the State Securities Commission and Hanoi Stock Exchange about the change in after-tax profit in the second quarter of 2025 compared to the second quarter of 2024 on the financial report of the second quarter of 2025 of the Parent Company.

*Thank you so much!*
